Summary

I am a recent Management Information Systems graduate. My project work has allowed me to get hands-on with SQL, Tableau, and Power BI, building dashboards and analyzing financial data. I'm eager to understanding business operations and data storytelling to solve meaningful problems and start my career in a dynamic environment.

Technical Skills	**Core Competencies**
Data Visualization: Power BI, Tableau, IBM Cognos, Excel Dashboards.	Data Analysis & Interpretation
Data Manipulation: SQL (Joins, Window Functions).	Financial Analysis
Analysis & Reporting: DAX, Microsoft Excel (Pivot Tables, VLOOKUP).	Business Framework
Languages: Python (Pandas).	Teamwork & Collaboration

Personal Projects:

Data Professional Survey Insights - Power BI Dashboard

- Developed a comprehensive, interactive dashboard in Power BI to analyze key trends from a survey of data professionals, visualizing demographics, job satisfaction, and popular technologies.

- Executed data cleaning and transformation using Power Query and performed custom calculations and KPIs with DAX to translate complex survey data into clear, actionable insights.

- **Technologies:** *Power BI, Power Query, DAX*

COVID-19 Global Data Analysis - SQL & Tableau

- Analyzed the global impact of COVID-19 by writing SQL queries in SQL Server to explore data on cases, deaths, and vaccination trends from a large-scale dataset.

- Designed and published an intuitive dashboard in Tableau to visualize key findings, such as infection rates versus population and death counts by country.

- **Technologies:** *SQL Server, Tableau, Data Analysis*

Education

BBA: Business Administration | East West University | Dhaka, Bangladesh *10th semester completed (102 credits) - 3.34 CGPA | Nov 2021 – Current*

Higher Secondary School Certificate: Business | Birshreshtha Noor Mohammad Public College | Dhaka, Bangladesh *4.75/5.0 GPA | Jan 2018 – April 2020*

Secondary School Certificate: Commerce | Sabuj Bidyapith School & College | 4.44/5.0 GPA

Awards & Certifications

- East West University, Medha-lalon Scholarship, 2024 – Current

- IBM Business Analyst Certificate (In progress)
